

GREGORIUS GERALDIN

Full Stack Developer

Jakarta, Indonesia | +62 858-9110-3121 | gregorius.gerald21@gmail.com | [LinkedIn](#) | [Portfolio](#)

SUMMARY

Computer Science graduate currently completing a full-stack development bootcamp at Purwadhika, with prior experience building mobile apps during a year-long internship. Comfortable using JavaScript, React, Next.js, Node.js, Express.js and PostgreSQL. Actively learning through real-world projects and looking to grow as a web and mobile developer through team collaboration.

WORK EXPERIENCE

Bina Nusantara University

Mobile Apps Developer Intern

Feb 2023 - Feb 2024

- Designed and developed mobile apps using Java to support MSME operations across Indonesia, focusing on responsive UI and core features.
- Resolved 50+ critical bugs and integrated APIs in collaboration with cross-functional teams to meet client needs.
- Collaborated with UI/UX team to implement 5+ interface updates based on feedback from 200+ testers.
- Worked in Agile sprints, joined daily stand-ups, weekly syncs and used Trello to organize tasks and support team progress.

PROJECT EXPERIENCE

Property Renting Web App (Purwadhika Final Project)

- Built authentication system (email verification, password reset, social login) with secure JWT authorization.
- Developed Property & Room Management (CRUD, peak season rates) using Express.js, Prisma, PostgreSQL.
- Implemented Landing Page & Search with filtering, sorting, and pagination in Next.js (mobile-first, responsive).
- Collaborated in Agile sprints through daily team communication and regular mentor stand-ups, while tracking progress in ClickUp.
